K2 CAPITAL JOINS EQUIPMENT LEASING ASSOCIATION

MINNEAPOLIS – K2 Capital Group LLC, a national provider of equipment leasing solutions, recently announced the company has been accepted for membership into the Equipment Lease and Finance Association (ELFA), a trade association representing financial services companies and manufacturers in the \$628 billion U.S. equipment finance sector. ELFA represents more than 500 member companies, including many of the nation’s largest financial services companies and manufacturers, as well as regional and community banks and independent medium and small finance companies throughout the country.

“We are excited to begin our relationship with the ELFA,” said Scott Anderson, K2 Capital’s president and CEO. “As a national leasing company, we are always looking to expand our presence and explore new opportunities within the healthcare, medical, technology and manufacturing industries. And ELFA is a great way to do that.”

In addition to its direct leasing business, K2 Capital offers private-label, vendor financing solutions, particularly to medical and technology manufacturers. K2 Capital’s experienced leasing professionals have developed long-standing relationships with some of the world’s largest and most respected equipment manufacturers.
