## K2 CAPITAL JOINS MINNESOTA BANKERS ASSOCIATION

MINNEAPOLIS – K2 Capital Group LLC, a national provider of equipment leasing solutions, recently announced the company has been accepted for membership into the Minnesota Bankers Association (MBA). Since 1889 the MBA has been serving Minnesota’s banking community. More than 95% of the Minnesota chartered banks and savings and loans belong to the MBA, which also has over 120 associate members.

“We are excited to begin our relationship with the MBA,” said Scott Anderson, K2 Capital’s president and chief executive officer. “We are headquartered in Minnesota and do a lot of business with companies all over the state. We are always looking to expand our presence and explore new opportunities within the banking community and the MBA is a great way to do that.”

In addition to its direct leasing business, K2 Capital offers private-label financing solutions to banks and other financial institutions. K2 Capital Group’s Partner Leasing Program (PLP) provides smaller banks the ability to offer lease financing alternatives to their current customers and prospects.

“Community banks recognize that equipment leasing is a safe, profitable financial product,” said Anderson.

“Money-center banks have been in this space for a long time but the smaller banks might not have the experience or resources to implement a leasing program. Our PLP helps them do that.”
