MINNEAPOLIS – K2 Capital Group LLC, a national provider of equipment leasing solutions, announced the company has hired Josh Shackelford as a new business development officer. Shackelford, a longtime leasing professional, joins the company after more than six years at Winthrop Resources in Minneapolis. At K2 Capital, he will be responsible for business development and client service for both vendor and end-user direct relationships.

“We’re excited to welcome Josh to K2 Capital,” said Scott Anderson, President and Chief Executive Officer. “He is a proven equipment finance professional who knows the industry well. We are seeing more lease finance opportunities across the country and Josh will help us manage that growth.”

After graduating from Oral Roberts University with a B.S. in Business Administration, Shackelford served for four years as a sales representative at Metro Sales in Minneapolis. From there, he joined Winthrop, where he developed and managed a large portfolio of end-user direct customers.

K2 Capital Group is headquartered in Minneapolis and has offices in Arizona and Colorado. The company offers equipment leasing directly to end users as well as private-label financing solutions to medical equipment manufacturers. The company also offers customized leasing programs for commercial banks that do not have a leasing program of their own.
